TEACHING STYLE

The instructor will create a relaxed, low-anxiety atmosphere through which you can acquire the previously mentioned course objectives with less effort and with ease. The instructor will use an eclectic teaching method.

PROCEDURES

1. The instructor will follow the CALENDAR /Weekly Schedule printed below. 2. In class, student and teacher (and student and student) will engage in interactive language activities, a variety of exercises, using Japanese as much as possible. The instructor, however, will use some mechanical and meaningful drills, when necessary, to develop your kinetic memory for the training of the perceptual motor skills. 3. Students will reinforce and develop vocabulary, structure, listening (audio cassette tapes checked out regularly) and conversational skills through weekly assignments. 4. The class, however, may be conducted in accordance with the needs of the students in class within the course objectives.
